The Good News of Christ is revealed in history. We know God and God's saving power through words and events related to us in the Bible.
We invite you to come with us and visit the places where the history of our salvation unfolded, the places where Jesus taught and worked His signs, where He offered Himself in sacrifice, and where He rose and ascended. Visiting these places and worshipping in them connects us with the history of our salvation in a special way and makes it more real. For instance, seeing where Jesus told a parable can give us a new and more lively understanding of Biblical passages that seem obscure on paper.
We are excited by the opportunity to visit the Holy Land and to share with you the wonder and the power of these holy places.
